ARTICLE II

MEMBERSHIP

There shall be several categories of membership as determined by the Board of Directors, hereinafter referred to as the BoD, the Board or the Board of Directors. Membership shall include all that meet the qualifications as set forth by the BoD.

1. **Active Member:**

An instructor, when certified by PSIA-RM-AASI and in good standing with the organization, shall be classified as an Active Member. The good standing of a member shall be determined in accord with requirements as established and published by the BoD.

There shall be two classes of Active Membership:

- A. Registered Instructors: A Registered Instructor is any instructor who is not certified, that may register with the Association upon payment of such fees as established by the BoD.
- B. Certified Members: A Certified Member is any instructor who has been certified, as described in our policy and procedures by a Regional Association and is in good

The Board of Directors reserves the right to accept or reject the certification of an instructor certified outside of Rocky Mountain upon such instructor's request for reciprocity.

2. Inactive Member:

An Inactive Member can be an Active Member who is no longer teaching, or an Active Member in another Regional Association. Any such Active Member may apply for inactive membership in PSIA-RM-AASI. Upon meeting the requirements as established and published by the BoD, such Member shall be granted Inactive Member status. The Inactive Member shall pay full PSIA-RM-AASI dues, may attend educational events but may not attend certification events and shall continue to receive all Association correspondence. The good standing of an Inactive Member shall be determined in accord with the requirements as established and published by the BoD. Alumni Members are not required to maintain their annual clinic attendance requirements to remain Alumni Members. If an Alumni Member desires to become active, they must present a letter of request to the BoD for their approval and must meet any and all requirements which the BoD may set forth.

4. Lifetime Member:

A Member may be awarded a Lifetime Membership by the BoD if, in the opinion of the BoD, an outstanding Active Member merits special recognition. Upon presentation of such award, the requirements for maintenance of Active Membership, including dues and continuing education requirements shall be permanently waived.

5. Special and Honorary Members:

A Member may be classified as a Special or Honorary Member by the BoD if the BoD deems that such classification is necessary. An Active Member of PSIA-RM-AASI that is on temporary duty with the Armed Forces of the USA may apply to be a Special Member. For

Special and Honorary Members, the BoD may elect to waive membership dues and/or annual clinic attendance requirements.

ARTICLE III

MEETINGS OF MEMBERS

All meetings of members shall be conducted in accordance with the procedural rules set forth in the most recent edition of Roberts' Rules of Order.

1. Annual Meeting:

No annual meeting of the members shall be required. However an annual meeting of the members may be held at such time and place as shall be established by the Board of Directors, for the purpose of electing directors and for the transaction of such other business as may come before the meeting. If the election of directors shall not be held on the day designated for any annual meeting of the members, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the members as soon thereafter as may be convenient.

2. Special Meetings:

Special meetings of the membership may be called at any time by resolution of the BoD, or upon written request of ten (10) percent of the Membership *entitled to vote*, to be held at such time and place as the BoD or membership calling such meeting, may designate.

3. Manner of Acting:

If a quorum (see subsection 7, below) is present, the affirmative vote of the majority of the members at the meeting and entitled to vote on the subject matter shall be the act of the members, unless the vote of a greater proportion or number or voting by classes is otherwise required by statute or by the Articles of Incorporation or these Bylaws.

4. Voting:

Unless otherwise provided by these Bylaws or the Articles of Incorporation, each member entitled to vote shall be entitled to one vote upon each matter submitted to a vote at a meeting of members.

5. Voting by Ballot:

Voting on any question or in any election may be done in person, by voice vote, electronic, or written ballot, or by mail with a written ballot, all in accordance with C.R.S. 7-127-109.

6. Notice and Ballots:

Notice of meetings and ballots shall be posted in the quarterly newsletter of the Association or on the website. Ballots shall be mailed or emailed to the last known address of each member in good standing at least thirty (30) days before any regular or special meeting of members. Such notice shall state the objective or issues to be discussed.

7. Quorum:

A quorum at any meeting of the membership shall consist of 5% of the members of the Association determined as of the date of the mailing of the ballot by the Association represented either in person or by mailed ballot. Active Members in good standing may vote either in person or by a mailed ballot at any annual or special meeting of the membership. Mailed ballots must be presented for registration forty-eight (48) hours or more in advance of the time set for such annual or special meeting. All such voting shall be done on an individual basis and cumulative voting shall not be permitted. All such mailed ballots shall be signed by the member voting.

8. Adjournment:

In the absence of a quorum at any such meeting, a majority of the members present may adjourn the meeting from time to time for a period not to exceed sixty days without further notice. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The members present at a duly organized meeting may continue to transact business until adjournment, (notwithstanding the subsequent non-attendance during such meeting of that number of members whose absence would cause there to be less than a quorum).

ARTICLE IV

BOARD OF DIRECTORS

1. Membership:

The direction and management of the Association shall be vested in the Board of Directors, henceforth the BoD. There shall be a minimum of seven (7) to a maximum of fifteen (15) voting members of the BoD, including the Elected Officers.

Directors must not have engaged in or be presently engaged in conduct that harms, disparages, denigrates or brings ill repute to the Association or to the mission or purpose of the Association (including, for example, dishonest or fraudulent acts, conviction of a felony or a crime involving moral turpitude, or conduct that is materially injurious to the Association, monetarily or otherwise).

3. Nominations to Serve on BoD:

No less than fourteen days before an annual meeting of the members or prior to sending out, or otherwise making available, a written ballot for the election of Directors, the Nominating Committee shall nominate members as candidates for election at the annual meeting to serve as District Directors. In making its nominations, the Nominating Committee shall ensure that nominees satisfy the qualifications to serve as Directors and may apply such other criteria in selecting nominees as determined from time to time by the Nominating Committee. Certified Members who are interested in serving on the BoD shall submit applications to the Nominating Committee prior to such deadline for submitting applications as may be established by the BoD, stating which District the applicant works in as a professional snowsports instructor. Nominees may be selected from among the Certified Members who submit applications or from among Certified Members who are recruited to stand for election to the BoD by the Nominating Committee.

4. Term:

Directors shall be elected to serve for a three year term; provided, however, if a Director is serving as an Elected Officer and the Director's term as an Elected Officer will extend beyond the Director's term as a Director, unless the Director dies, resigns or is removed, the Director's term as a Director shall be extended through the end of the Director's term as an Elected Officer.

5. Representation and Elections:

A member of the BoD shall be elected either to serve as a District Director or as a "Member-At-Large" from among the candidates for such positions nominated by the Nominating Committee. The geographical area of PSIA-RM-AASI is divided into three (3) separate Director Districts: Districts are defined as the Western Slope District, the Front Range District and the Southern District. The Districts may be modified by an affirmative vote of the Board of Directors. Each District is depicted on the map attached hereto.

A. District Directors:

Each District shall be entitled to up to three (3) representatives on the BoD with each having a three (3) year term. Such three year terms shall be staggered such that one District representative shall be elected each year. District representatives shall be elected by the members in such District each year from among the nominees selected by the Nominating Committee.

B. Member-At-Large:

There shall be three (3) directors on the BoD representing the membership at large with each having a three year term. Such three year terms shall be staggered such that one such director shall be elected each year. Each year, the candidate who receives the greatest number of votes among the candidates remaining after the available District Director positions on the BoD have been filled shall be elected as the Member-At-Large Director.

The members elected as Directors shall be announced within a reasonable time after the voting.

6. Annual Elections:

Elections shall be held annually and balloting may be either in the form of a personal vote at a meeting, a signed mailed ballot, or an online ballot, at the discretion of the BoD. The membership shall be advised of the establishment and results of the above procedures in the quarterly newsletter of the Association or by mail to the last known address of each member in good standing. The minimum number of ballots to elect a director in each District shall be equal to 5% of the members eligible to vote in such District. If there are not sufficient ballots

received to meet the minimum number of ballots requirement, the Board of Directors may appoint the director, selecting from nominees nominated by the Nominating Committee.

7. Eligible Voters:

Members eligible to vote for the BoD shall be Active, Alumni and Lifetime Members in good standing in PSIA-RM-AASI.

8. Vacancy:

In the event of a vacancy due to death, disability, resignation, removal or another cause affecting a Director, the BoD may fill such vacancy by appointing a new Director (a “Substitute Director”) selected from among candidates nominated by the Nominating Committee. Nominees to serve as Substitute Directors may be recruited by the Nominating Committee and the Nominating Committee shall not be required to solicit or accept applications to serve as a Substitute Director. In selecting nominees to serve as a Substitute Director, the Nominating Committee shall ensure that nominees satisfy the qualifications to serve as Director and may apply such other criteria in selecting nominees as determined from time to time by the Nominating Committee. A Substitute Director will serve only the remainder of the vacated term.

9. Sanction of Board Members by the BoD:

A Board Member may be sanctioned by an affirmative vote of a minimum of 75% of the total number of the Board of Directors for one or more of the following reasons, at the sole discretion of the BoD:

- A. For a violation of the standards of conduct as set out in C.R.S. 7-128-401;
- B. For a violation of the directors’ conflicting interest transaction requirements as set out in C.R.S. 7-128-501; and,
- C. For a material violation of a written policy or rule or regulation of PSIA-RM-AASI.

Representatives with two or more absences from quarterly meetings or 3 or more absences from monthly calls within a calendar year will be asked to explain the circumstances requiring each absence. If such circumstances indicate to a majority of the remaining Board members that such absent Board member is not sufficiently committed to fulfilling his or her Board attendance obligations to PSIA-RM-AASI, the remaining members may sanction such absent Board member from the Board, in their sole discretion.

10. Removal of Board Members:

A Board Member, appointed or elected by the Board of Directors may be removed by an affirmative vote of the Board of Directors in accordance with C.R.S. 7-128-108 except that a Director elected by the Board of Directors to fill a vacancy of the director elected by the members may be removed with or without cause by the voting members and not the Board of Directors.

A Board Member, elected by the members, may be removed, with or without cause, by an affirmative vote of the members in an amount greater than the number of votes cast to elect such director at a meeting held in accordance with C.R.S. 7-128-108 (1)(d).

11. Meetings:

The BoD shall meet as many times as necessary within the course of the year in order to conduct the business of operating PSIA-RM-AASI. Special BoD meetings shall be held whenever called by the President or requested by one-third of the directors. Meetings may also be conducted through the use of any means of electronic communication by which all persons participating in the meeting may hear each other during the meeting. All meetings of the BoD shall be open to the membership with the exception of those held under the provisions of "Executive Session." Minutes of all open meetings shall be made available to the membership upon request to the PSIA-RM-AASI office.

If any Board members participate at a meeting by telephone or other electronic means, each Director shall clearly identify himself prior to speaking, each time he desires to be heard during such meeting. Any vote taken at such meetings shall be by roll call, with each Director first stating his name and then his vote. The minutes of the meeting shall be prepared and approved at the next regular or special meeting of the Board; copies of those minutes shall be provided on request to each Director, by mail or electronic means.

Any members of the BoD or any committee designated by such Board may participate in a meeting of the BoD or committee by means of telephone conference or similar communications equipment by which all persons participating in the meeting can hear each other at the same time. Such participation shall constitute presence in person at the meeting.

12. Attendance:

Each Board member is obligated to attend the meetings of the BoD. Regular attendance at the meetings is essential so that decisions made represent the opinions of the Board as a whole. In addition, regular attendance enables board members to be productive and helps ensure that issues are examined from a variety of perspectives. Appointed representatives are expected to attend Board meetings.

13. Quorum:

A quorum at any BoD meeting shall consist of a simple majority of the entire membership of the BoD. No business shall be transacted unless such a quorum of the Boards membership is in attendance. The vote of a majority of those directors present shall constitute an act of the BoD for all business except changes to the By-Laws as stipulated in Article X. A record of attendance shall be kept of all regular and special meetings of the BoD and made a part of the minutes of such meeting. In the absence of the required quorum, the members in attendance may re-schedule the meeting to a later date and absent BoD members shall be immediately notified of such postponement.

14. Protests:

The membership may protest any action by the BoD, by submitting a petition bearing the signatures of at least ten (10) percent of all of the membership, eligible to vote, of the Association to the BoD within thirty (30) days after such action is published on the web site for the Association. Such right to protest shall not affect in any manner the finality of any action by the BoD. Upon presentation of such a protest, the PSIA-RM-AASI office shall prepare a ballot to be sent to all voting members of PSIA-RM-AASI with instructions to return the same within a period of the (10) days from the date on which such ballot was mailed or emailed. In order to reverse the action or ruling, the total votes received must equal or exceed 10% of the members eligible to vote and a majority of such votes must be in favor of such reversal.

15. Meetings Called by President or Two Directors:

Meetings of the Board may be called by the President and shall be called by the President upon written request of any two (2) or more Directors. Notice of the date and time of such meetings shall be mailed or emailed to each director, at the physical address or email address shown by records of the Association at least seven (7) days prior to the time of the meeting.

18. Resignation:

Any director of the corporation may resign at any time by giving written notice to the President or the Secretary of the corporation. The resignation of any director shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

A director shall be deemed to have resigned if such director violates the standards of conduct as set out in C.R.S. 7-128-401, violates the directors’ conflicting interest transaction requirements as set out in C.R.S. 7-128-501, for a material violation of a written policy or rule or regulation of PSIA-RM-AASI or has been sanctioned in accordance with the terms of Paragraph 9 and if such violation is confirmed by an affirmative vote of the Board of Directors, then such violation shall be effective as a resignation at the time of such vote of the Board of Directors.

19. Committees:
