Comments

To attain Children's Rocky Mountain Trainer: In each section All Scores Must AVERAGE 4 or higher

This assesment form is for the evaluation of a participant's performance as a children's clinic leader. The three categories are: movement analysis, indoor presentation, and on snow clinic leading. Proficiency in each element is scored using the following scale.

- 1: Essential elements were not observed or not present.
- 2: Essential elements are beginning to appear.
- 3: Essential elements appear, but not with consistency.
- 4: Essential elements appear regularly at a satisfactory level.
- 5: Essential elements appear frequently, above required level.
- 6: Essential elements appear continuously, at a superior level.
