Children's Specialist 2 Workbook

Participants are required to complete the CS2 workbook and online written exam before the start of the on-snow exam. Please download the completed workbook and bring it with you to the event. To access the workbook and online exam, please follow this link:

<https://lms.thesnowpros.org/workbooks/rocky-mountain-workbooks/>

You will need to log-in with your username and password for www.thesnowpros.org. Once you log-in, please click Workbooks from the top menu and then go to Rocky Mountain. You can then find the CS2 Workbook/Written exam located there. Although the workbook and written exam are free, you will need to add it to your cart and then check out. Once you complete the check-out you will be given the link to access the workbook. You can either download the workbook and complete it with paper and pen, or you can complete the workbook online with the option to save and continue completion later. **Please note, if you choose to use the save and continue, please follow the directions carefully when you click save and continue.**

Once you have completed the workbook, please make sure you complete the 2nd step and take the online quiz (final knowledge test). You must pass the quiz at a score of 80% or higher and you have unlimited attempts at the online quiz.
