

SB RMT CLINIC LEADING ASSESSMENT OVERVIEW

Introduction

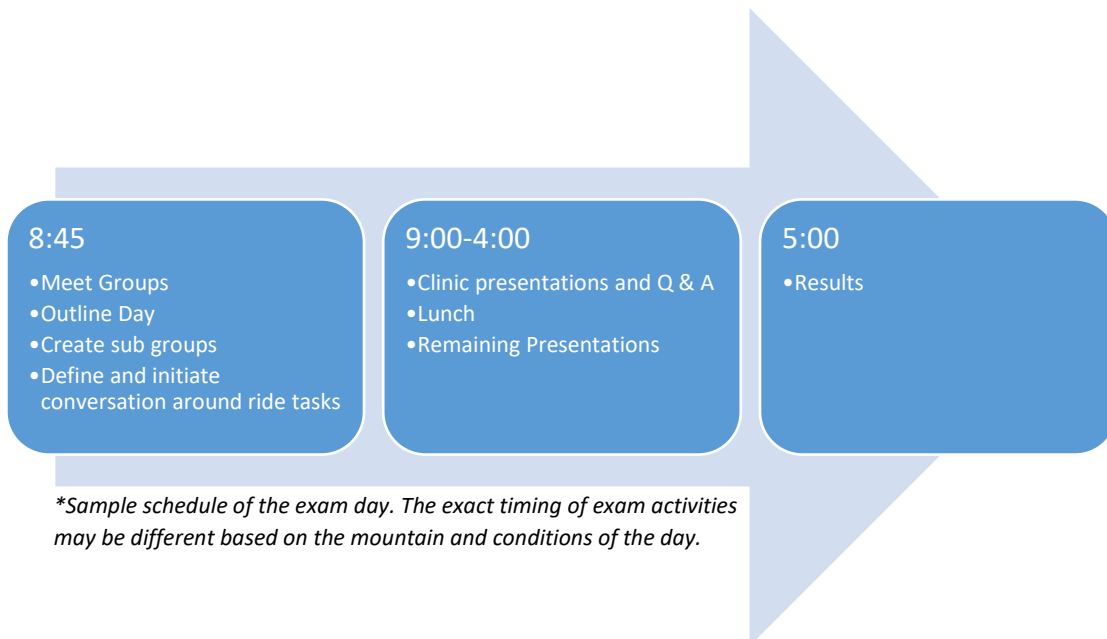

This document outlines the Daily Schedule, details about Assessment Groups, Learning Outcomes, and Assessment Activities for the Rocky Mountain Trainer Clinic Leading Assessment.

Candidates’ clinic leading knowledge and experience will be evaluated based on peer-to-peer clinic leading presentations and conversations with the evaluators. Successful candidates will use relevant progressions to clearly demonstrate their experience training instructors at the expert level. Candidates will demonstrate the use and understanding of training, teaching, and learning concepts when leading the group or referring to past clinics and will demonstrate appropriate group handling skills and safety awareness for clinic groups.

Assessment Groups

- Each group will have a maximum of seven Candidates and two Examiners.
- Both Examiners will assess each Candidate during the day.

Schedule of Activities

Learning Outcomes & Assessment Criteria

PSIA-AASI Rocky Mountain Region establishes the Learning Outcomes and Assessment Criteria for the Rocky Mountain Trainer Clinic Leading Assessment. During the RMT Clinic Leading Assessment, Snowboard candidates are assessed on the following Outcomes.

Clinic Leading Skills

- Assess & Plan: Plans learning outcomes and creates individualized experiences based on participant, resort, and organizational needs.
- Implement: Individualizes learning experiences to guide participants toward agreed-upon outcomes to meet participant, resort, and organizational needs.
- Reflect/Review: Fosters the ability to recognize, reflect upon, and assess experiences to enhance understanding and apply what was learned.

People Skills

- Communication: Maintains 2-way communication with clinic participants.
- Relationships with Others: Adapts to the interpersonal dynamics within the group as an ambassador of their resort.

Instructor Decisions & Behavior

- Professionalism & Self-Management - Strengthens the professional environment by adapting to situations and other group members on behalf of themselves and their resort.

Refer to the SB RMT Assessment Forms for Assessment Criteria for each Learning Outcome.

Assessment Activities

Assess & Plan, Implement, and Reflect & Review

- You will lead two on-snow clinics, one prepared- one on an impromptu topic.

Clinic	Time	Description
Prepared On- Snow Clinic	30 minutes	Prepared clinic of your choice showing your ability to be experimental and to look outside the box while demonstrating your complete understanding of STS and all of its concepts
Impromptu On-Snow Clinic	15 minutes	Show subject matter and clinic leading mastery with a clinic topic selected by your Examiners

- Practical application and knowledge-based questions of teaching, riding, and movement analysis can be asked on the chair lift and/or in front of the group.
- Please keep in mind that you are training the group that is in front of you.
