Telemark: Introduction to NTN Skiing

Course Description:

NTN, the New Telemark Norm is here and has been for a while. Get on board with step-in Tele bindings and ski brakes. Let go of the old images and come enjoy the most modern equipment that everyone will enjoy! This is a clinic for instructors who are new to Telemark skiing and for those who are new to the new NTN Tele gear. Participants will become familiar with the new Telemark equipment while learning Telemark technique on primarily green and blue terrain with our top Telemark Education Staff. Experience the future of Telemark skiing! Arrangements will be made for discounted access “top of the line” NTN equipment.

Course Outcomes:

- Learn about the NTN equipment and how it may be similar or different
- Have the opportunity to demo the most modern NTN gear
- Learn to balance and move effectively on NTN equipment.
- Learn about how changes in equipment change the sport.
- Practice techniques with feedback for success.

Sample Activities:

- How to properly fit and use telemark equipment
- Make a telemark turn efficiently and safely
- Technical and tactical application in terrain and conditions du jour

Materials Needed:

- NTN Telemark equipment
