## **Telemark Level 2/3 Prep Clinic**

### ***Course Description:***

Take the guessing out of your certification preparation with this two-day clinic. Gain a clear understanding of what is required to pass Telemark Level 2/3 Certification. This clinic will use the workbook and L2/3 scorecard to guide activities and discussion to help participants prepare and plan for their L2/3 Telemark certification exam.

### ***Course Outcomes:***

- Learn and practice fundamental skiing maneuvers for Level 2/3 Certification.
- Explore teaching progressions and methodologies for teaching Telemark skiing at an intermediate and advanced level.
- Expand technical knowledge and understanding through discussion.
- Work through Telemark Level 2/3 Certification Workbook to prepare for exam.

### ***Sample Activities:***

- Explore level 2/3 certification maneuvers and tasks
- Video analysis if available
- Practice applying the teaching model to meet the needs of the student
- Practice movement analysis on yourself and fellow participants

### ***Materials Needed:***

- Modern Ski Area Telemark Equipment
- Telemark Level 2/3 Certification Workbook (download at PSIA-RM web site)
