

Rocky Mountain Ski Instructors Educational Foundation Scholarship Application

Application Requirements (Please Read Carefully)

1. **Apply only if you have a financial need.** Please apply for a scholarship only if you plan to use it during the season for which you are applying and have a financial need. Forfeiting an awarded scholarship, except for medical reasons, may affect your eligibility to receive a scholarship in the future.
2. **Accept your scholarship within seven business days.** You will be notified by email, using the email address provided on your scholarship application, whether you have been awarded a scholarship. You will have seven (7) business days to accept the scholarship. If you do not accept it within this timeframe, the scholarship will be forfeited and awarded to another member.
3. **Scholarship use.** Scholarships may be used toward Rocky Mountain event fees or membership dues. Scholarships are non-transferable, have no cash value, may not be used toward other products or services, and must be used during the season in which they are awarded.
4. **Regional and online restrictions.** Scholarships cannot be used toward event fees in another region or toward online courses or webinars offered through the PSIA-AASI National E-Learning site.
5. **No cash payment.** Scholarship funds will not be paid directly to the individual recipient.
6. **Rocky Mountain membership required.** Scholarships are available only to PSIA-AASI Rocky Mountain members and are not available to members of another region.
7. **Complete applications required.** Applications must be completed in full and emailed to info@psia-rm.org. Please do not mail applications.
8. **One application per season.** Members may apply for only one scholarship per season.

I understand that scholarship funds are limited. If awarded, I intend to register and attend the event. If my plans change, I will notify PSIA-AASI Rocky Mountain as soon as possible so the scholarship may be reallocated.
