[Apply For This Job](#)

Job Start Date: October 1, 2018

Job Type: This position is a salaried Full Time Seasonal Department Head which qualifies for full benefit package including Health/ Life/ Vision & Dental Insurance; Sick Time; Paid Leave; and FTYR pass privileges.

Job Summary:

This position develops, organizes schedules, and maintains CBMR's Ski and Ride School's programs and services including alpine, snowboard, telemark, private lessons, local programs and school groups. Duties include: staff scheduling, class assignments, product staging, instructor payroll checkouts, payroll accuracy, human resources information and communication, and delivery of divisional and company news and information.

Works in concert with the CB Ski and Ride School Management Team (Ski & Ride School Director, Supervisor Team, and Resort Services Administrative Coordinator) to identify and develop the business opportunities of the CB Ski and Ride School. A primary responsibility of the Manager is to identify and develop the business model with the goal of increasing the penetration percentage rate and driving the yield in relation to Resort skier visits.

Works with all company departments to package products for the best guest experience. Attends all safety, departmental and company meetings and relays information back to the staff. Schedules and conducts all instructor staff informational meetings on a regular basis: including supervisors, and staff wide meetings.

The Ski & Ride School Manager will have continual focus on the Children's Ski & Ride School, and an entire Ski & Ride School focus in the Director's absence. Other than days the Ski & Ride School's Director is not on site, the Manager will focus attention to all children's Ski & Ride School programming including, and not limited to, the supervisor team, guests' needs, school groups, local programs, nursery, ski school lunch areas, and children's alpine instructor staff.
