

PSIA-AASI RM Education Steering Committee Charge

The Education Steering Committee (ESC) acts as a conduit between the PSIA-AASI RM (RM) Discipline Committees, National Discipline Task Forces, and the RM Director of Education to drive consistency in education and certification initiatives and stakeholder experiences. The ESC additionally acts as the visionary steering committee for future growth and evolution in RM's education and certification.

In this Charge, the ESC is committed to the 3 C's philosophy for consistency.

- Communication:
 - Open lines of communication with all RM committees, National Task Forces, Education Staff, RM Operational Leaders, and the RM Board.
 - Education voice of RM for initiatives.
- Collaboration
 - We work together as one group to minimize isolation and enhance efficiency
 - Accountable to the National Standards through consistent assessment of quality assurance.
- Consolidation
 - Minimize duplication of efforts enhancing great quality.
 - Align processes across disciplines
 - We are stronger together, united as one team, to increase the value of integrity of our education resources.

The ESC is comprised of each discipline committee chair and RM's Education and Events Manager. RM's Director of Education serves as the ESC Chair.
